Featured Programs

COVER STORY FRONTLINE: The Choice 2020 5.1: TUE 9/22 7PM

As it has for every election since 1988, FRONTLINE's acclaimed series "The Choice" will investigate the life stories of the two candidates: the roots of their drive to be president, the moments that shaped them, and the life method that has brought them to this point, by examining the formative episodes in their lives through interviews with those who know them best.

Harbor From The Holocaust 5.1: TUE 9/8 9PM 9.1: SAT 9/10 6AM

Learn about the flight of nearly 20,000 Jewish refugees from Nazi-occupied Europe to the Chinese port city of Shanghai during World War II. Experience the acculturation of a new society through an intimate look at survivors' families, their shared recipes, and historical context for the resettlement of Jewish communities during the Holocaust.

NOVA: How Writing Changed The World 5.1: WED 9/23 8PM 9.1: SAT 9/26 8PM

Writing shaped civilization itself, from the trading of goods to tales of ancient goddesses and kings. Follow the evolution of the written word, from millennia-old carvings in an Egyptian turquoise mine to our modern-day alphabets.

Poetry In Paint: Bea Mandelman In Taos 5.1: THU 9/24 7PM

One of Taos' great artistic stories comes to life in this special one-hour portrait of painter Bea Mandelman. Richly illustrated with a lifelong collection of artworks and personal photographs, the artist's voice rings out through her private journals and a candid, 1995 radio interview—providing rare insight into her thoughts on painting and process.

Fall Into **NEW** September Series!

ART IN THE TWENTY-FIRST CENTURY

5.1: BEGINS FRI 9/18 10PM

The only series on television in the U.S. to focus exclusively on contemporary visual art and artists is back. Observe artists at work, watch as they transform inspiration into art, and hear how they struggle with both the physical and visual challenges of achieving their visions.

HACKING YOUR MIND

5.1: STARTS WED 9/9 9PM

9.1: SAT 9/12 9PM

Follow host Jacob Ward (*The TODAY Show*) from the farthest corners of the globe to the inside of your mind as he sets out to discover we are not who we think we are. We imagine our conscious minds make most decisions, but in reality we go through much of our lives on "auto-pilot." And marketers and social media companies rely on it.

ISLANDS OF WONDER

5.1: PREMIERES WED 9/16 7PM; 9.1: SAT 9/19 7PM

This three-part series takes viewers to the most exotic, mysterious and remote islands on Planet Earth: Madagascar, Borneo and Hawaii. These isolated and iconic tropical islands are home to remarkable wildlife and human castaways found nowhere else on earth.

The fragile islands also serve as a vital gauge for the planet's health.
