

## Apple TV NMPBS Passport Setup Instructions

Before getting started with downloading the PBS App Channel, **you'll need to make sure that you have a PBS account.**

Be sure to use your personal email when signing up with PBS.

*If you already have an account, please move on to step 2.*

### ① Create a PBS account

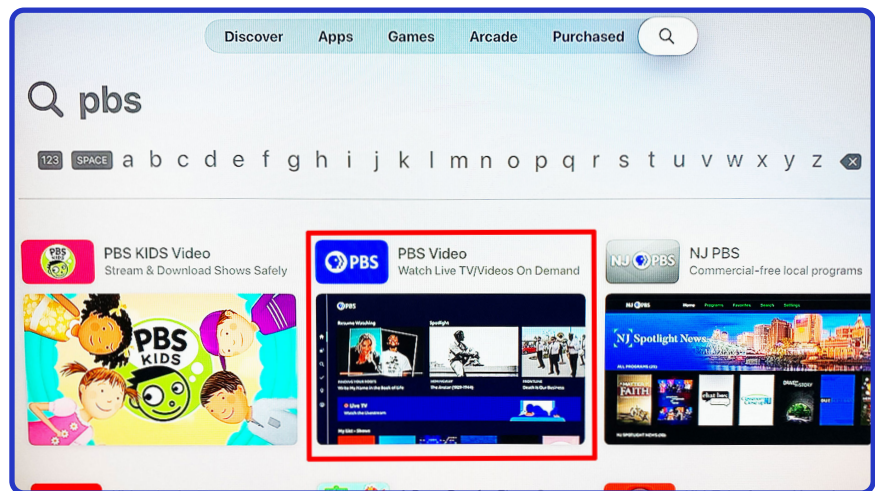

The screenshot shows the PBS 'Create a PBS Account' registration form. It includes input fields for First Name, Last Name, Email, and Re-enter Email. A Password field is also present with a 'Show Password' toggle. Below the password field, a note states: 'Use at least 8 characters, including both letters and numbers.' At the bottom, there are 'Register' and 'Cancel' buttons, and a checkbox for 'Keep me signed in'.

You'll now need to locate the PBS App in the **Apple TV App Store.**

To add the PBS Channel,

- Go to the **App Store**
- In the search bar, **type in PBS**
- Find the PBS Video app, and then **click it**

### ② Search for the PBS Video App

**Visit [nmpbs.org/app](http://nmpbs.org/app) to get started today.**

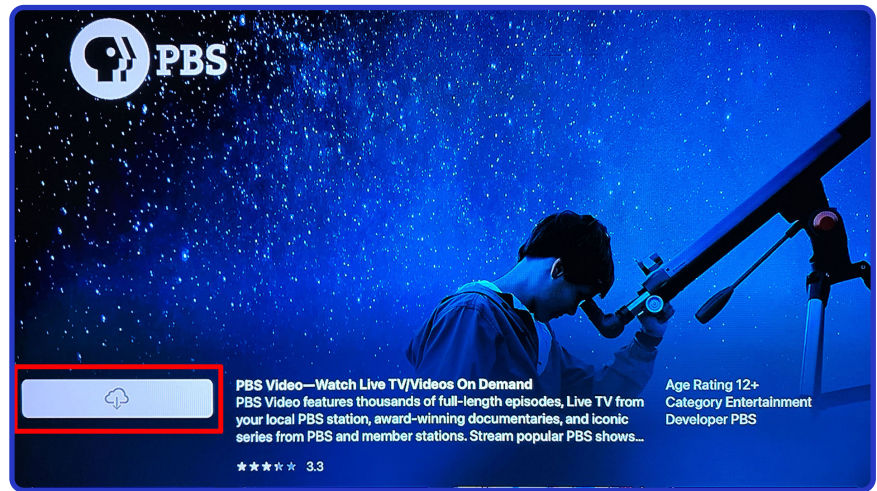

## Apple TV NMPBS Passport Setup Instructions

Once you've found the PBS App, you'll be able to add the channel to your library by downloading the application.

After you've added the PBS App, you'll be able to open it once it finishes downloading.

- Click **Install**
- Click **Ok** to complete adding PBS to your Apple TV

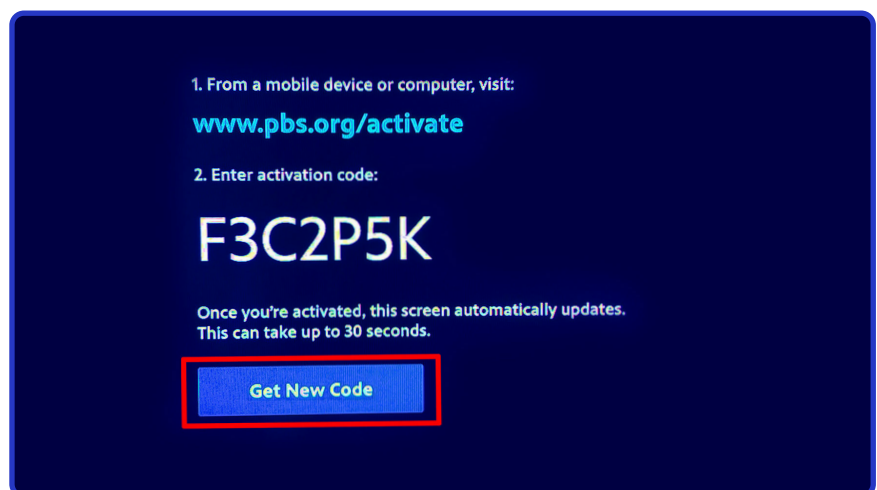

### ③ Add the PBS Channel to your Apple TV

Open the PBS app. You will need to activate Passport with a unique activation key.

- **Open** the PBS Video app
- Click **Activate**
- An activation code will be displayed on the screen
- Once you have the code, **proceed to Step 5** to use it on the PBS website

### ④ Activate the PBS App

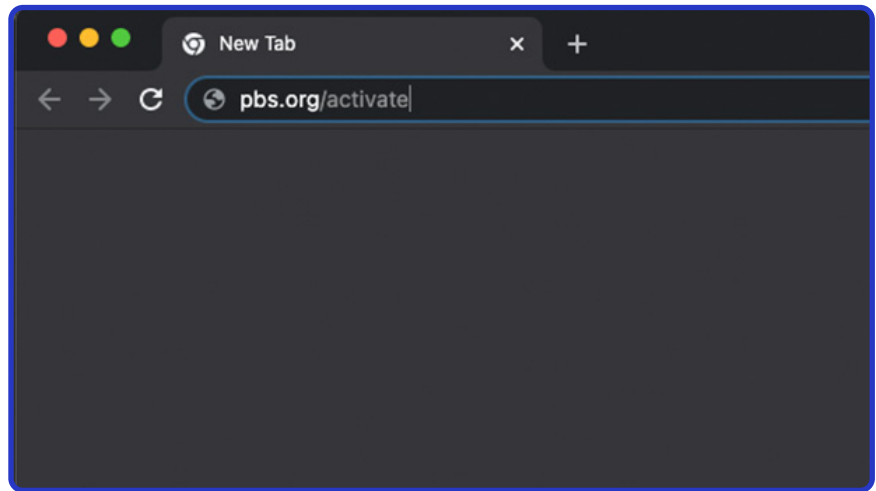

**Visit [nmpbs.org/app](http://nmpbs.org/app) to get started today.**

## Apple TV NMPBS Passport Setup Instructions

Once you have your code, **go to your desktop or mobile device** that's connected to the internet. **Open up a web browser** and type in the url bar: **pbs.org/activate**.

- On your computer, tablet, or phone, **open a web browser**
- Type in **pbs.org/activate** in the address bar at the top of the screen

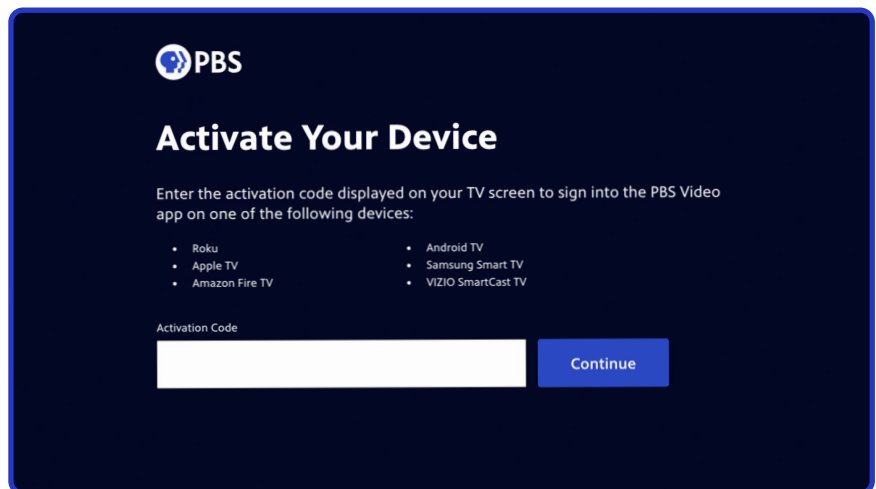

### ⑤ Go to pbs.org/activate

You'll be asked to type in your unique activation code. **Click the white text box** space next to the blue button, and type in your code. Once you've typed in your code, **click Continue**.

- Make sure you have your code written down to proceed
- **Enter your activation code** into the text box that appears
- Click **Continue**

### ⑥ Enter your activation code

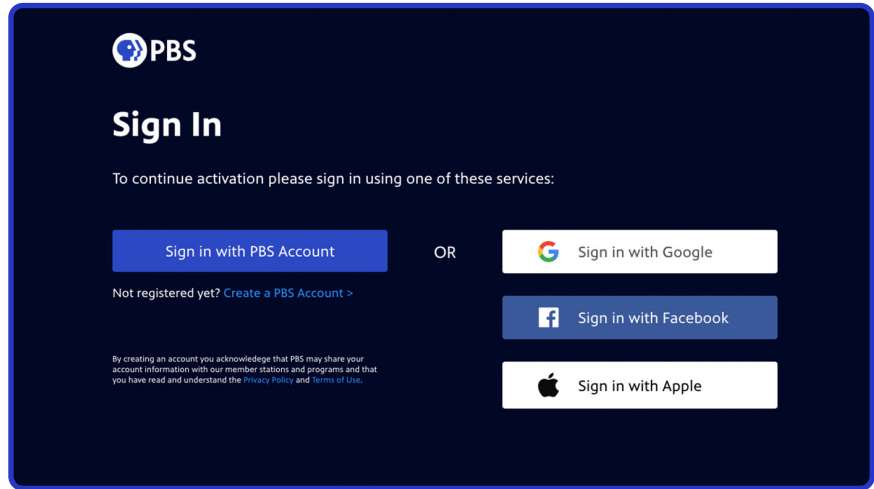

**Visit [nmpbs.org/app](http://nmpbs.org/app) to get started today.**

## Apple TV NMPBS Passport Setup Instructions

- **Sign in** with your PBS Account, Facebook Account, or Google Account
- **Go back to the PBS App** on your Apple TV and select a program to start watching with the PBS Video App!

### ⑦ Sign in to your PBS Account

The screenshot shows the PBS Sign In interface. At the top is the PBS logo. Below it is the heading "Sign In". A message states: "To continue activation please sign in using one of these services:". There are four buttons arranged in two columns. The left column has a blue button "Sign in with PBS Account" and a link "Not registered yet? Create a PBS Account >". The right column has three buttons: "Sign in with Google" (with the Google logo), "Sign in with Facebook" (with the Facebook logo), and "Sign in with Apple" (with the Apple logo). At the bottom, there is a small disclaimer: "By creating an account you acknowledge that PBS may share your account information with our member stations and programs and that you have read and understand the Privacy Policy and Terms of Use."

**You're all done!**
