

## Fire TV NMPBS Passport Setup Instructions

Before getting started with downloading the PBS App Channel, **you'll need to make sure that you have a PBS account.**

Be sure to use your personal email when signing up with PBS.

*If you already have an account, please move on to step 2.*

### ① Create a PBS account

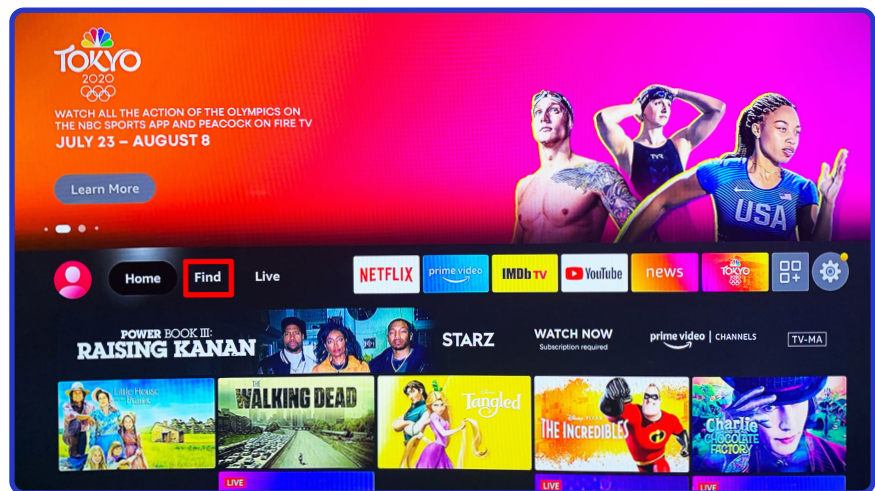

The screenshot shows the PBS 'Create a PBS Account' registration form. It includes fields for First Name, Last Name, Email, and Re-enter Email. There is a Password field with a 'Show Password' toggle. Below the password field, it says 'Use at least 8 characters, including both letters and numbers.' At the bottom, there are 'Register' and 'Cancel' buttons, and a checkbox for 'Keep me signed in'.

You'll need to locate the PBS app in the Amazon Fire Channel Store.

- To download the PBS Video, **navigate to the Find tab** in the menu
- Click on the **Search** window
- Type in **PBS Video** in the search bar

### ② Search for the PBS Video App

**Visit [nmpbs.org/app](http://nmpbs.org/app) to get started today.**

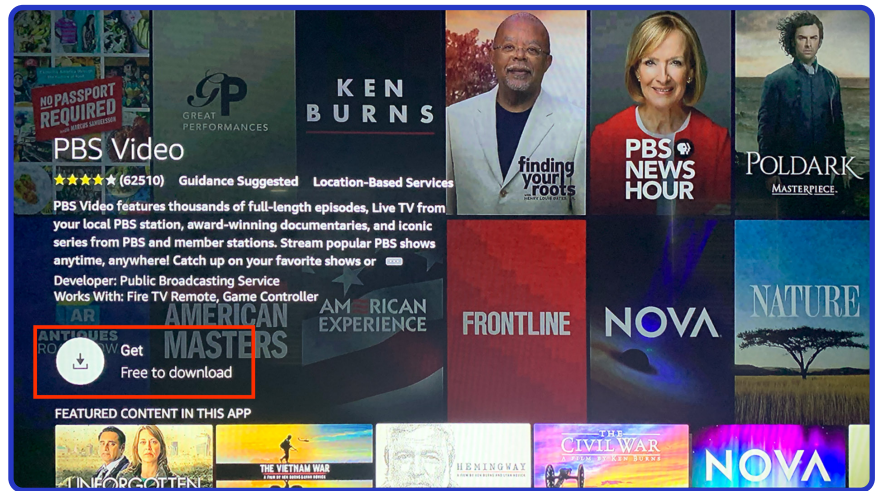

## Fire TV NMPBS Passport Setup Instructions

Once you've found the PBS Video app, you'll need to add the channel to your library by downloading it. After you've added the PBS app, you'll be able to open it.

- Click **PBS Video**
- Click **Get**

*The channel will now appear on your main screen.*

### ③ Add the PBS Channel to your Fire TV

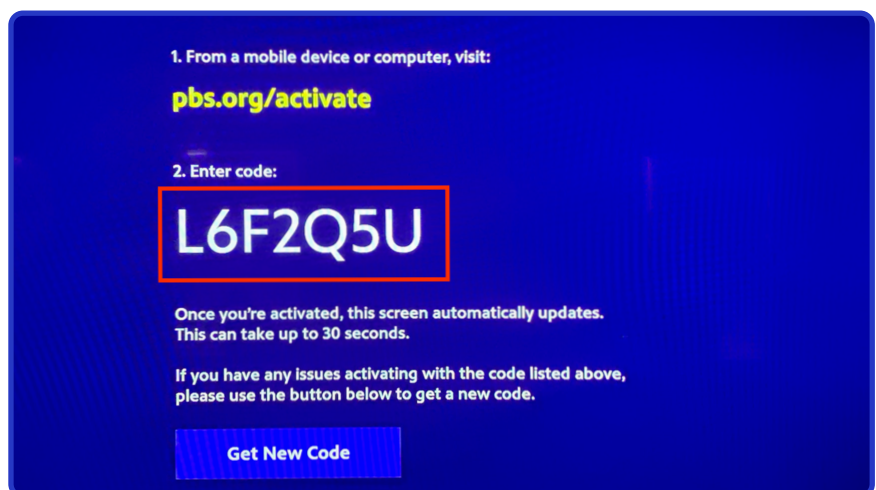

Open the PBS app. You will need to activate it with a unique activation key.

- **Open the PBS Video app** to begin activation
- An **activation code** will be **displayed** on the screen

Once you have your activation code, proceed to Step 5 to use the code on the PBS website.

### ④ Activate the PBS App

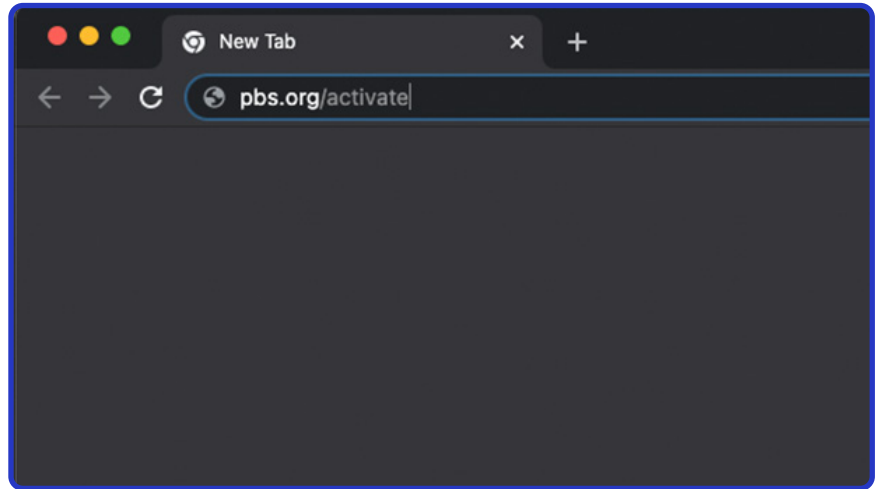

**Visit [nmpbs.org/app](http://nmpbs.org/app) to get started today.**

## Fire TV NMPBS Passport Setup Instructions

Once you have your code, **go to your desktop or mobile device** that's connected to the internet. **Open up a web browser** and type in the url bar: **pbs.org/activate**.

- On your computer, tablet, or phone, **open a web browser**
- Type in **pbs.org/activate** in the address bar at the top of the screen

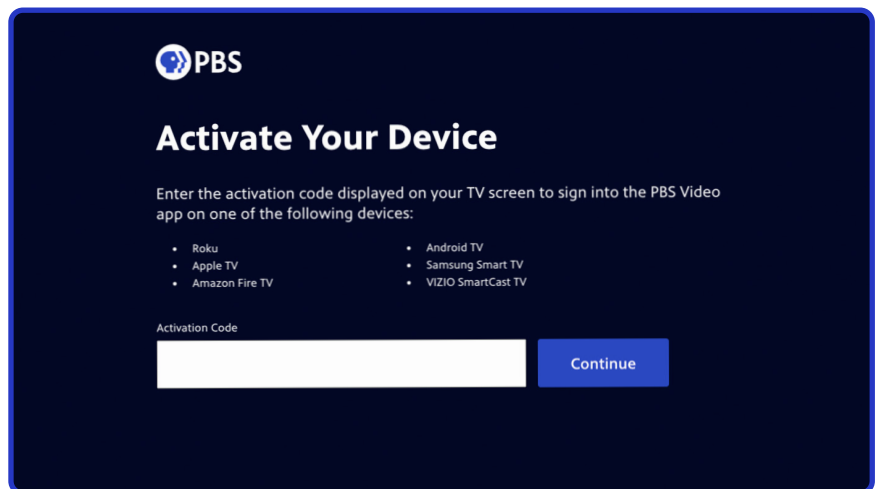

### ⑤ Go to pbs.org/activate

You'll be asked to type in your unique activation code. **Click the white text box** space next to the blue button, and type in your code. Once you've typed in your code, **click Continue**.

- Make sure you have your code written down to proceed
- **Enter your activation code** into the text box that appears
- Click **Continue**

### ⑥ Enter your activation code

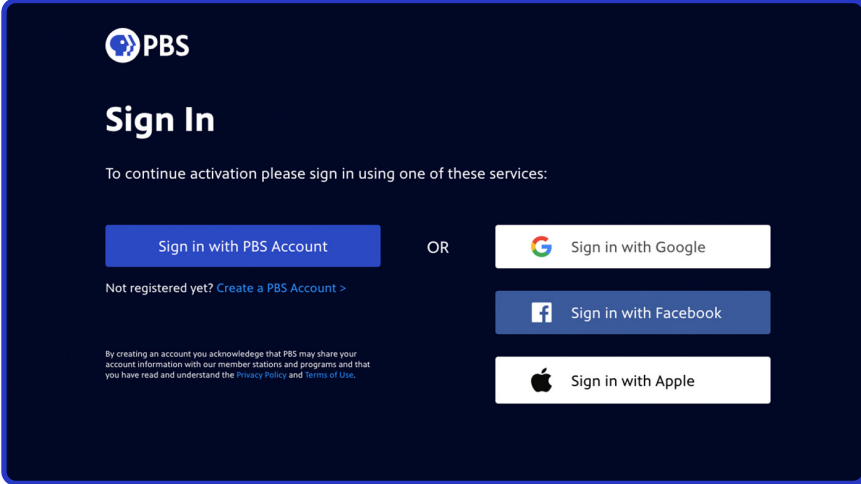

**Visit [nmpbs.org/app](http://nmpbs.org/app) to get started today.**

## Fire TV NMPBS Passport Setup Instructions

- **Sign in** with your PBS Account, Facebook Account, or Google Account
- **Go back to the PBS App** on your Fire TV and select a program to start watching with the PBS Video App!

### ⑦ Sign in to your PBS Account

The screenshot shows the PBS Sign In interface. At the top is the PBS logo. Below it is the heading "Sign In". A message states: "To continue activation please sign in using one of these services:". There are three main sign-in options: "Sign in with PBS Account" (a blue button), "Sign in with Google" (a white button with the Google logo), and "Sign in with Facebook" (a blue button with the Facebook logo). Below these is a link: "Not registered yet? Create a PBS Account >". At the bottom, there is a small disclaimer: "By creating an account you acknowledge that PBS may share your account information with our member stations and programs and that you have read and understand the Privacy Policy and Terms of Use." There is also a "Sign in with Apple" button.

**You're all done!**

**Visit [nmpbs.org/app](http://nmpbs.org/app) to get started today.**
