

The New Mexico Public Media Digitization Project

The New Mexico Digitization Project has digitized over 7,689 files since March 1, 2021.

As a graduate student remote cataloging intern for GBH through Louisiana State University's School of Library and Information Science for the New Mexico Public Media Digitization Project in cooperation with the American Archive of Public Broadcasting (a collaboration between GBH and the Library of Congress)

NEW MEXICO PUBLIC MEDIA DIGITIZATION PROJECT

Cataloging Workflow

I've learned the intricacies of creating metadata and describing audiovisual files while keeping files organized with digital archive management systems and spreadsheets.

Weekly Zoom meetings have been integral during the Covid pandemic for working remotely while fostering collaboration, teamwork, socializing, and solving problems.

I chose to help with this project because I was born in New Mexico and spent much of my early childhood in the desert chasing tumbleweeds, hiking mountain trails and enjoying the annual International Hot Air Balloon Fiesta.
